

## **Accountant**

Winnipeg, MB - Full-Time

Precision Weather Solutions Inc. (PWS) is a full-service meteorology and climatology company with over 30 years of experience at delivering specialized, real-time, site-specific solutions. Enterprises in traditional and emerging industries rely on our comprehensive data and sophisticated suite of online and mobile applications that deliver advanced predictive models and customizable tools. PWS solutions empower business leaders to make effective and accurate management decisions that reduce risk, optimize operations, maximize revenue, and improve preparedness for severe weather conditions.

This is an exceptional opportunity to work in a dynamic and growing entrepreneurial environment. Working in a team environment is essential for success. Primary responsibilities would include:

- Full cycle accounting including entry of transactions into system
- Accounts Receivable including the preparation of invoices; A/R collection
- Accounts Payable
- Payroll
- Bank activities including cash flow management and bank reconciliations
- Reconciliation of general ledger accounts as required
- Government remittances
- Preparation of monthly, quarterly and annual reports and financial statements
- Involvement in cash flow projections and budgeting
- Development of systems and processes

### **Our Requirements:**

Our ideal candidate is a self-motivated, self-starter who is organized, accurate and detail-oriented. To be successful in this role, you should possess excellent analytical, verbal and written communication skills and be able to work to strict deadlines while contributing to a professional working environment. You will take ownership of this role and therefore must have the ability to work on your own with little direction/supervision. Good computer skills, specifically in Sage 50 and Microsoft Office suite, are essential. Candidates should have extensive experience working in an accounting department (minimum of 3 to 5 years' experience) and should either possess an accounting degree and/or be enrolled in the CPA accounting designation program.

Only those candidates who are selected for an interview will be contacted.

Required experience:

- Accounting: 3 years
